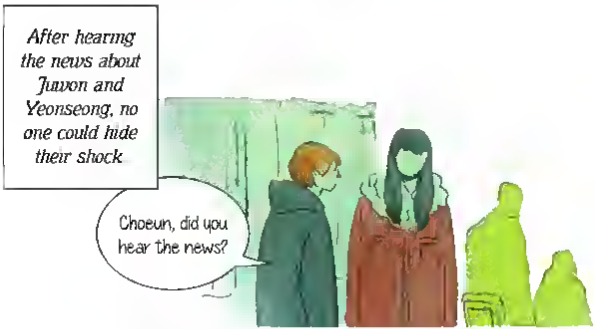
"What keeps lives tethered to the Earth? Is there an afterlife?"



After hearing the news about Juwon and Yeonseong, no one could hide their shock
Choeun, did you hear the news?

Especially Choeun, who was left speechless

Gyutae, did Yeonseong die because of me?
What?

It's my fault, right?
Because I told him about Juwon

Why is she making it hard for herself?

Why is it your fault?
I was the original one who went blabbing
Plus, it was a hit and run
I don't know. maybe the driver dozed off since it was so early in the morning

What the hell are you doing?

You're not to blame

That was one thing that involved Yeon-seong, and this was another
They just happened to overlap

Teacher Jeon, are you heading to class?
Ah, yes

How are the wedding preparations going?
Ah, that.

We broke it off
What? Aigoo

it just sort of happened
It wasn't meant to be

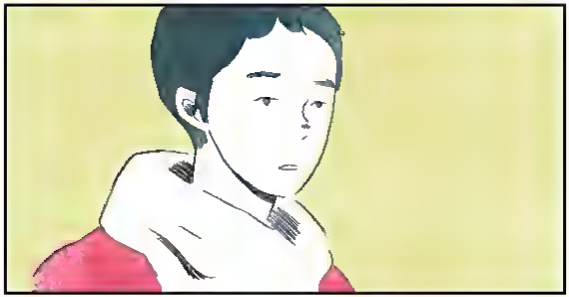
Last year,
we just couldn't afford it, I guess
Especially because of Juwon?
In many ways, I kind of blame myself

You must've been very busy last year

How has Younghwa been?
Yeah, he has been adapting fairly well

He'll do whatever we are doing in class,
Yet he doesn't seem firmly rooted in reality

Duwon
was raped



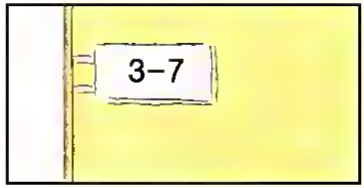
Anyway,
I don't think I
can help you.

Ah, my head hurts
SLUMP

Heu, Ju Move,
get up!

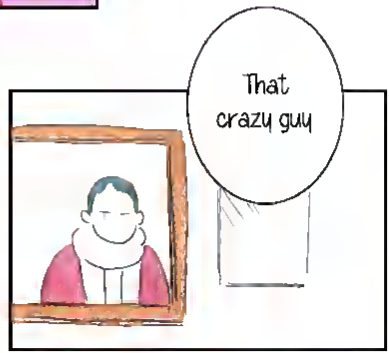
Jeon
Gicheol is
glaring like he
wants to kill
you

BURN
BURN



3-7

Gyutae, it's
him again



That crazy guy

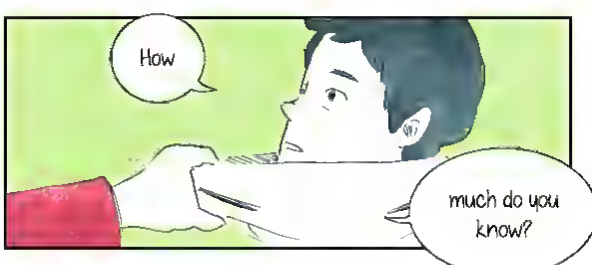
You came to look for Yeonseong?
Yup

Do you wanna die?

I don't

Where's Yeonseong?
SLIDE
Is he in the bathroom?

STOP IT!
PULL
STOP PLAYING AROUND!

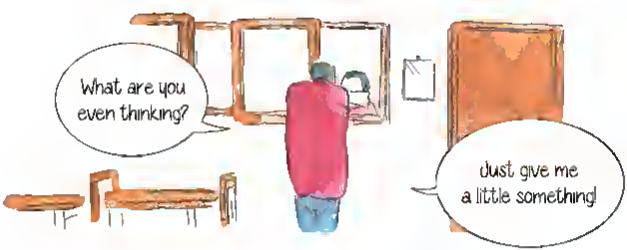


How
much do you know?

What?

About what happened last year...
how much do you know?

I thought I told you
the other day



What are you
even thinking?
Just give me
a little something!

WHAT ARE YOU GUYS UP TO?!

RELEASE
...
Ju Younghwa, what are you doing in front of someone else's class?

We're just joking around
What kind of joking around looks like you're going to get beat?

Come along, the break's about to end.
Okay

Hello sir
Yes.

Cheeky bastard

Wipe that smile off your face

Hey. Now go away
Shouldn't you be studying?

Don't you have any friends in your class? Go surprise your friends

Ju Move, where'd you go?

The bathroom
You take a shit?
Ke
Ke Ke

Sometimes I'm washed over by a feeling of emptiness
What's that look for? You constpated?

Listening to my friends laugh makes me feel lonely

Hey, get me
a drink too

I haven't seen your face in awhile
offer

Yeah

Juwon
was raped

Will you choose the past you can't even see.

or will you choose the reality that's in front of you?

Yeonseong

Do I have to make a choice?
